

In NSBE News

MISSION STATEMENT:

"To increase the number of culturally responsible Black Engineers who excel academically, succeed professionally, and positively impact the community."

GENERAL BODY MEETING

Come and be part of an exhilarating debate showdown where we'll playfully engage in a few back-and-forth sessions over a variety of entertaining and lighthearted topics! It's a fantastic opportunity to forge bonds of camaraderie within our chapter.

Location: Lindner Hall 2240 @ 6PM

Z

INNOVATE - O - THON

Innovate-o-Thon will take place in Baldwin Hall 544/644 on October 27th at 5 PM and ends at 2 PM on October 28th.

To sign up, you must first follow us on GetInvolvedUC and RSVP. Then fill out the official registration form listed in the description. Make sure to select "UC NSBE member" on the question asking how you heard about this event.

If only one step is completed before the deadline, you will not be allowed to compete. If you don't register with a team, you will be randomly assigned one at the event.

NSBE FALL SCHOLARSHIP

To view and apply for scholarships, you must:

- Renew your NSBE membership for the year.
- Have a verified GPA in your membership profile.

For scholarship and award questions, or if you experience problems accessing scholarships or awards, please email scholarships@nsbe.org.

FUN FACT:

According to researchers at the University of California, Berkeley, there were around 2.5 billion T. rexes that lived throughout more or less 127,000 generations.

Volunteering & Resources

STEMULATING SATURDAYS

On the 1st Saturday of every month, at 8:30-11:30 am, STEMulates are looking for volunteers to help with STEMulating Saturdays, which is a monthly program designed to increase student participation in STEM activities through hands-on challenge based learning experiences.
